IT'S UDOT, NOT THE FREEWAY FAIRY.

Have you recently driven along a familiar stretch of freeway that seemed to become smoother over night? Your recent less-bumpy ride is not a figment of your imagination. UDOT is improving sections of freeway at night while commuters sleep. >>

2010 Legislative Interim Session Begins

The Utah Legislature meets once per month (with the exception of July or August) outside of the regular legislative session that starts in January. Unlike regular or special sessions, no official bills are passed during Interim Session. Instead, committees meet to explore issues.
